

COMMUNITY COLLEGES

KIAMA & SHOALHAVEN

TERM 1, 2016

**OUR BIGGEST
AND BEST
CHOICE OF
COURSES
EVER!**

**PLUS...
SMART & SKILLED
SUBSIDIES* ARE
NOW AVAILABLE
FOR MANY OF OUR
COURSES!**

(See pages 2-3
for more information)

* Smart & skilled places are subsidised by the NSW Government.

WHY STUDY WITH US?

OUR BIGGEST
RANGE OF
SUBSIDISED
COURSES
EVER!

Smart & Skilled subsidies are now available for many of our courses. (See Course Directory right)

Fee Free Scholarships*: If you are aged between 15 & 30 and are receiving a prescribed government benefit, you will not need to pay a course fee. Limited places.

Fee Concessions^Φ: If you are aged over 30 and receive a prescribed government benefit, you only need to pay a concession fee marked with a ^Φ in the Course Directory.

Subsidies are available to any person that :

- works or lives in NSW, &
- is an Australian citizen, permanent resident, humanitarian visa holder or New Zealand citizen, &
- no longer at school, and over 15 years of age.

Smart & Skilled is a funding initiative of the NSW Government. Call to calculate your fee.

EXCELLENT
EMPLOYMENT
OUTCOMES!

Many full qualification courses offer a work placement component and courses are very employment focussed.

In our latest graduating Diploma class, 8 out of 9 students obtained employment, with the remaining student pathwaying successfully to University.

Students enjoy small class sizes and a welcoming and supportive learning environment.

PATHWAYS
TO
UNIVERSITY!

By undertaking a Cert IV or Diploma level course at Kiama or Shoalhaven Community College, you can gain automatic entry into a range of Bachelor Degree courses at UOW, Shoalhaven Campus. You can also use your VET qualification to gain employment and a source of income while you study

We even have Pathway Courses available that provide you with a scholarship to cover your Smart & Skilled student fee and include a University Bridging Program. Eligibility criteria apply. See more on page 5.

VET FEE-HELP
FOR DIPLOMA
COURSES!

VET FEE-HELP is available at the College for students in Diploma courses. This enables students to 'study now and pay later' with a government loan.

Students repay their loan to the Australian Government through the tax system once a student reaches an income threshold for repayment.

Diploma courses for which you may be eligible for VET FEE-HELP are marked throughout this guide with the VET FEE-HELP symbol.

If you secure a Smart & Skilled subsidy, you only need to VET FEE-HELP your student fee rather than the entire course cost.

Looking for Leisure, Interest
& Digital Courses?

BUSINESS, MANAGEMENT & ACCOUNTING CAREERS

For course details including venues, fees and session times, see pages 2-3 of this brochure

Administration skills and business management understanding underpin roles in most industry sectors.

Our College has been training participants to become polished business professionals for many years. Students study in a simulated office environment with up-to-date technology.

Business and management students are individually supported to ensure that they successfully pathway to employment or further studies in accordance with their personal goals.

The broad range of generalist and specialist business and finance qualifications offered provide perfect pathways from entry level qualifications right through to University entry.

With EziDebit payment plans available for all courses and VET Fee Help accessible for Diploma level qualifications, developing your administration, financial or management career has never been easier.

MY CAREER PATH

"Kiama Community College was very beneficial to me and has helped me begin my career in promotions.

Because of the work experience I received, I was able to find my passion, which is entertaining people while in a business environment.

Since leaving the college and completing my Certificate III in Business, I have now finished further study and received my Certificate IV and Diploma of Radio Broadcasting.

I now work as a promotional host at a local club where I can use my business skills as well as my entertainment skills."

Kyle B
- Promotional Host

PATHWAYS TO UNIVERSITY

Are you planning on studying a Certificate IV qualification at Kiama Community College and interested in a Pathway to University?

If so, then In2Uni's Pathways Program might be for you.

At UOW, we recognise that everyone's journey to higher education is different and we want to provide you with the support to pursue your passion at UOW as soon as possible.

What does this mean for you?

UOW will help to cover part of the cost of your Certificate IV qualification, with eligible students entitled to a scholarship of up to \$1500.

Your transition from the Pathways Program to your UOW bachelor degree will include a bridging and transition program to assist with university applications and enrolment and increase your academic study skills to ensure that you are ready to study in semester 2, 2016.

What will you get out of it?

- On completion of the Pathway, UOW will recognise your new qualification as equivalent to a 72 ATAR.
- You will gain a qualification that allows you to work in the field, before and during your degree.
- A \$500 top-up transition scholarship when enrolling and commencing at UOW.

For more information about this program

For more information please contact Keirin McCormack on keirinm@uow.edu.au or 02 4221 4002

ENROLLING NOW!

“The program and support I received from my Trainers at the College have taught me how to manage study, work and personal life. I am really excited about commencing Uni.”

VET FEE-HELP

TRAINER & ASSESSOR PROGRAM

For course details including venues, fees and session times, see pages 2-3 of this brochure

“Ask us about recognition of your current skills”

Interested in sharing your skills and knowledge to help others develop?

Certificate IV in Training & Assessment (TAE40110) is the qualification required to become a trainer-assessor in our nation's accredited vocational training system.

Whether you would like to be a workplace based trainer-assessor or operate in a classroom or online environment, this qualification will provide you with the skills to design and deliver accredited training and assess competency.

“The training methods used & professional approach to the course made us all have something to aspire to, that of course is a great trainer who delivers great courses and students who develop into fine true honest professionals & people of high integrity & honesty”

Are you considering expanding your training credentials or taking your career in a new direction?

We can assist you to develop the skills needed to teach accredited courses at work or with an RTO, train one to one or plan skills development for others; our courses are suitable for new and experienced trainers and assessors.

With the college you will learn to design and deliver training to groups and to meet the needs of individuals and you will learn to plan and conduct assessments that are ethical and fair.

Training & Assessment qualifications from the College are highly regarded in the industry and we boast a team of well respected trainers.

Double Diplomas of VET & TDD		TAE50111 TAE50211
Diploma of Vocational Education & Training (VET)		TAE50111
Diploma of Training Design & Development (TDD)		TAE50211
Certificate IV in Training & Assessment		TAE40110
TAA to TAE upgrade (for Certificate IV TAA holders currently practicing)		TAE40110
TAA RPL Process (Non TAA Holder)		TAE40110
Address Adult Language, Literacy & Numeracy skills (TAE Elective)		TAELLN411
Workplace Assessor Skill Set: TAEASS401B, TAEASS402B, TAEASS403B		

Become a leader in your field! Double Diplomas of VET and TDD

Achieve two nationally recognised qualifications, studying simultaneously, in a simple, straightforward and cost effective way!

The Double Diploma course has been designed specifically for experienced practitioners who have a role in leading other trainers or assessors. Your current responsibilities could include:

- designing approaches to learning and assessing strategies across a significant area within an RTO
- analysing training needs and designing training solutions and products to meet workplace capability requirements including evaluating the effectiveness of training programs
- providing guidance and advice to trainers and assessors, promoting innovative practices, in researching and incorporating best practice in training and assessment into training programs and products

By completing 10 units for your Diploma of Vocational Education and Training (TAE50111) you will also attain a Diploma of Training Design & Development (TAE50211). Two qualifications to advance your career.

FITNESS

For course details including venues, fees and session times, see pages 2-3 of this brochure

Do you love being fit and healthy? Would you like to help others become fit and healthy too? You can turn this love into your new career by studying fitness with the college and joining one of the fastest growing industries.

Obtain valuable skills including how to work effectively in sport and recreation environments by providing healthy eating information and quality service, maintain sport, fitness and recreation equipment and first aid.

Job roles in the fitness industry can include:

- Exercise instructor – gym, group exercise, aqua
- Personal Fitness Trainer
- Community Activities Assistant
- Recreation Assistant

Certificate III in Fitness	SIS30313
Certificate IV in Fitness*	SIS40210

*Delivered by Western Riverina Community College RTO ID 1252

“The training was beneficial in teaching me all aspects of fitness and allowed me to gain employment with Anytime Fitness soon after. I am now working as a Manager Assistant and Personal Trainer plus conducting regular classes.”
Ben M

OUTDOOR RECREATION

Turn your passion for the outdoors and adventure into a rewarding and satisfying career!

Outdoor recreation and education is a fast growing industry and our courses will provide you with training, skills and a qualification that can be life changing.

These courses will give you an insight into an adventurous world that will push your boundaries and at the same time allow you to experience some of the natural resources the Illawarra and Shoalhaven have on offer.

Certificate II offers a teaser of multiple activities with the emphasis on safe participation and exposure to activities in differing environments such as water-based, dryland and mountainous terrains using a diverse range of equipment. On satisfactory completion this qualification will prepare you for a role as an outdoor activity assistant.

Certificate III will equip you to supervise outdoor activities and groups. It will open doors to careers in Outdoor Adventure Guiding, Outdoor Education and Corporate Outdoor Training sector and will give you knowledge and practical experience to perform in the field as a leader of activities. Courses can be customised to suit and include such activities as:

- Bushwalking
- Abseiling & Climbing
- Canoeing & Kayaking
- Surfing
- Snorkelling

One student's experience...

After finding school was not providing an effective learning environment for him, Ben joined his school's *Work Ready* program in year 11.

During this program, Ben successfully completed Certificate II in Outdoor Recreation through the College.

He found he really enjoyed this course, built up a range of practical and personal skills and learned a lot about himself and working with others.

After completing his course, he applied for an internship with an outdoor adventure company. Ben said that the activities he completed during Certificate II in Outdoor Recreation helped him answer interview question scenarios such as “tell us a time that you had to work in a team”, where he was able to use his abseiling experience in the course as an example.

Ben was successful in gaining his internship and has now achieved Certificate IV in Outdoor Recreation. He still keeps in touch with the trainer of Outdoor Recreation, Brendon Harris.

Certificate II in Outdoor Recreation	SIS20213*
Certificate III in Outdoor Recreation	SIS30413*
Certificate II to Certificate III in Outdoor Recreation upgrade	SIS30413*

*Government subsidies are available. See pages 2-3 for more information.

FOUNDATION LEARNING

LEARNING ENGLISH LANGUAGE

What students say about this course...

"I have found the classes really helpful and the tutors are very professional.

I have been attending for two years and am now more confident at speaking and writing English.

These classes have helped me to undertake a Certificate in Aged Care where I hope to get employment."

LITERACY, NUMERACY + EMPLOYMENT SKILLS

"The Community College delivers a Numeracy course that we call "Maths Games" for our participants.

Having a Literacy/Numeracy specialist gives opportunity to address the needs of each individual in this area.

I highly recommend the Community College to anyone as we have found them friendly, flexible and professional."

Edward McColl -Transition To Work Bomaderry (Post School Option for year 12 leavers with a disability)

LITERACY & NUMERACY FOR LIVING

What students say about this course...

"Before I came to the College I could read very little and as a mature adult this made me feel very self conscious.

After just one year my reading has improved so that I am now able to do things like read the TV Guide and find names in my mobile phone.

These may be basic things for many people but they are big things for me.

It is never too late to start learning."

We are an Adult Migrant English Program provider as a consortium partner with TAFE NSW Illawarra Institute. Classes may be funded by the Australian Government, Department of Education and Training through the AMEP. If you are not eligible for AMEP, your class will cost between \$20 per term and \$20 per week, depending upon your visa type.
