Course Overview

Undertaking this qualification will broaden your accounting knowledge. This qualification will allow you to be suitably qualified for many accounting job roles in financial services and other industries requiring accounting support functions. Individuals in these roles will be able to apply theoretical and specialist knowledge and skills to work autonomously and exercise judgement in completing routine and non-routine activities.

Persons providing a business activity statement (BAS) service must be registered by the Tax Practitioners Board and this qualification is currently cited as meeting the educational requirements for registration. Other conditions apply including a designated period of experience.

Persons seeking BAS agent registration should check current registration requirements with the Board as this is reviewed regularly.

By undertaking a Cert IV or Diploma level course at Kiama or Shoalhaven Community College, you can gain automatic entry into a range of Bachelor Degree courses at UOW, Shoalhaven Campus. You can also use your VET qualification to gain employment and a source of income while you study.

We even have Pathway Courses available that provide you with a scholarship to cover your Smart & Skilled student fee and include a University Bridging Program. Eligibility criteria apply. Scholarships are currently available for eligible students.

Entry Requirements

There are no entry requirements for this qualification.

Pathways from the qualification

After achieving this qualification, candidates may undertake a variety of accounting studies at the diploma or advanced diploma level or can consider our Pathway to University Program (see over for more information).
Are you planning on studying a Certificate IV qualification at Kiama Community College and interested in a Pathway to University?

If so, then In2Uni’s Pathways Program might be for you.

At UOW, we recognise that everyone’s journey to higher education is different and we want to provide you with the support to pursue your passion at UOW as soon as possible.

**What does this mean for you?**

UOW will help to cover part of the cost of your Certificate IV qualification, with eligible students entitled to a scholarship of up to $1500.

Your transition from the Pathways Program to your UOW bachelor degree will include a bridging and transition program to assist with university applications and enrolment and increase your academic study skills to ensure that you are ready to study in semester 2, 2016.

**What will you get out of it?**

- On completion of the Pathway, UOW will recognise your new qualification as equivalent to a 72 ATAR.
- You will gain a qualification that allows you to work in the field, before and during your degree.
- A $500 top-up transition scholarship when enrolling and commencing at UOW.

**For more information about this program**

Cost
Regardless of whether you obtain a UOW Scholarship, this training is subsidised by the NSW Government under the Smart & Skilled initiative for eligible students. Fee-free scholarships are available from the NSW Government for students aged 15-30 receiving a prescribed government benefit. If you are aged over 30 and receive a prescribed government benefit, you only need to pay $240. All other Smart & Skilled students only pay $1,960 (normal course cost is $5,270).

Note if you receive a UOW Scholarship, UOW will pay up to $1,500 of your student fee for you. This means the most a person on a scholarship but not on a government benefit would need to pay is $460. Call the College to calculate your fees.
