2. FEES AND CHARGES

The Kiama Community College makes prospective students and clients aware of the College's fees, charges and refund arrangements before accepting enrolment. The [Fees and Refund Policy](#) can be sourced from the College's website or a copy obtained from Reception.

All texts, resources and materials are included in the cost of the course unless otherwise stated in the College's advertising material. The College determines course fees for its fee-for-service training provision. For government subsidised programs, the program contract may stipulate the fees that a student is to pay.

Smart and Skilled Fees

Students enrolling with [Smart and Skilled](#) subsidies must pay the relevant fee as set out in the NSW Skills List. The College will calculate the relevant fee using the Smart and Skilled Provider Calculator, the student's eligibility criteria and any applicable Recognition of Prior Learning and Credit Transfer arrangements.

Adult and Community Education (ACE) Program Fees

Students enrolling with ACE Program must pay fees set under the ACE Provider Contract. The College will calculate the relevant fee using *ACE Provider Operating Guidelines*, the student's eligibility criteria and any applicable Recognition of Prior Learning and Credit Transfer arrangements.

RISE Program Fees

Students enrolling in the RISE Program establish a service agreement which sets out the fees payable. The [Current Pricing Schedule](#) can be found on the website.

Fees for Other Subsidised Programs

Students enrolling with any other subsidy must pay any fees that the funding body sets out in its guidelines.

Concessions & Exemptions

The College offers a 10% concession for all courses (excluding subsidised courses) for students who hold a valid pension concession card or healthcare card. Students undertaking subsidised courses should contact reception to determine if they are eligible for concessions/exemptions.

Fees Paid in Advance

The College will, at no time, request or accept from a prospective or current learner prepaid fees in excess of a total of \$1,500. Prepaid fees include all fees that a learner is required to pay, including enrolment fees, tuition fees, material fees and any other fee component that is a mandatory payment for the course. If your course fee is greater than \$1,500, a payment plan will be worked out with you that reflects the length of your course.

For further information, please read the [Fees and Refund Policy](#).

VET Student Loans

[VET Student Loans](#) are available to assist eligible students studying VET qualifications at the diploma level and above. VET Student Loans can be used to pay all or part of an eligible student's tuition fees when studying with an approved VET provider.

With the VET Student Loans program, the Government pays your course fees so you can start studying now and you pay back the loan later when you are working and earning over a certain amount.

To find out further information in relation to VET Student Loans, in particular if you are entitled, how much you can borrow, loan limits, fees and charges, etc. please contact reception to discuss your options.

3. ENROLMENT & INDUCTION

Course Pre-Enrolment Information and the Student Handbook may be accessed on the College's website or from College reception. The Student Handbook includes information on assessment procedures, complaint and appeal procedures, facilities, equipment and support services.

Unique Student Identifier (USI)

The Unique Student Identifier (USI) is an Australian-wide student number required by students who are completing nationally accredited vocational education and training (VET). A USI provides the capacity for students to track their accredited vocational education and training (VET) records online across all Australian states and territories. Students undertaking nationally accredited courses need to apply for a USI and provide their USI to the College at enrolment. A USI is a requirement to receive a Statement of Attainment or a Qualification. Students can apply (at no cost) to the Commonwealth Government for a USI at: <http://usi.gov.au>. The USI stays with a student for life and is recorded against any completed nationally recognised VET course or qualification.

What happens at the beginning of my course?

By or on the first day of the course (at the latest), students are to receive induction and/or orientation appropriate to their course, which further ensures they:

- Understand the information contained in the Student Handbook and the Pre-Enrolment Information
- Understand the rules and regulations as set out in the Student Handbook
- Are familiar with the College's facilities and resources
- Have identified the College's key training, administration and support people
- Have the necessary course materials, course content and information about assessment
- Know where to access more information
- Discuss pathways e.g. type of work you might seek with your new skills or further education or training opportunities available to you.

Students will also be provided with induction on:

- Work, health and safety (WH&S) requirements
- Dress codes and conduct
- Their rights and responsibilities (Code of Behaviour) as a learner.

Medical Conditions

If you have ongoing or emerging medical conditions such as diabetes or epilepsy, you are encouraged to make your teacher aware of this in case you require sudden assistance. We also recommend that you provide the College an emergency contact.

4. LEARNING & ASSESSMENT

How do I submit work?

All assessments should be submitted either directly to your Trainer or to the Kiama Community College Office or by email to info@kcc.nsw.edu.au.

All assignments should be accompanied by a Kiama Community College coversheet. Your Trainer will give you a copy of the coversheet.

What about assessment?

All accredited courses at Kiama Community College involve assessment processes. Assessments serve the purpose of allowing participants to provide evidence of their skills and abilities against the competencies of the course or qualification. During the first lesson of your course, your Trainer will advise you of the assessments required for your course.

In keeping with the requirements of competency-based training, assessments conducted by Kiama Community College demonstrate compliance with the four key assessment principles of validity, reliability, flexibility and fairness.

Persons who conduct assessments for accredited courses and competencies in Training Packages have the appropriate assessor credentials. Participants who do not achieve competency at the first assessment attempt will have further reasonable opportunities to achieve competency. For further guidance, please read the College [Assessment Policy](#).

Recognition of Prior Learning (RPL)

RPL is the process whereby past work or life experience may be recognised as satisfying some or all competencies of a course or qualification.

Kiama Community College will provide advice and assessment of current competencies on an individual need basis. If you would like to apply for recognition of prior learning, please read the [RPL Policy](#) at the College's website and then make an appointment to speak to the course coordinator.

Mutual Recognition / Credit Transfer

Kiama Community College recognises the Qualifications and Statements of Attainment issued by other Registered Training Organisations in accordance with the requirements of the VET Quality Framework.

What if I don't agree with my assessment results?

If you disagree with an assessment decision you should address the matter with your assessor or trainer. If the matter remains unresolved you should contact the Coordinator who will conduct a review of the assessment process. If the Coordinator feels you have a case for review, a suitably qualified independent person will be employed to conduct another assessment. If the Coordinator does not believe there is a case for review, you will be notified of the decision and provided with a copy of the College's [Complaints Policy](#). Students are welcome to nominate a third party to be present at all meetings with Trainer and Managers to act as their advocate.

What if I am deemed Not Yet Competent?

Your competency will be assessed if you are enrolled in a nationally accredited course. If you are deemed *Not Yet Competent*, you will have the opportunity to re-submit your work. A maximum of 2 submissions are permitted.

If you are deemed *Not Yet Competent* after 2 submissions, please discuss your options with your coordinator. These options may involve additional cost and may include:

- a) Re-sit the assessment task a third time at a cost of one hundred dollars (\$100); or
- b) Re-enrol in the course or Unit of Competency at the normal enrolment fee; or
- c) Undertake additional private tuition; or
- d) Undertake career planning with a Student Support Officer; or
- e) Review your study options and discuss with a trainer/coordinator/Student Support Officer; or
- f) Withdraw from the course.

How do I get my Certificate for Accredited Courses?

On successful completion of your course and associated assessment work, your Certificate or Statement of Attainment will be posted to you. Please ensure we have your current postal address. Certificates or Statements of Attainment may be withheld if fees are outstanding. If your Certificate or Statement of Attainment is lost or damaged, replacement Certificates or Statements of Attainment can be produced on request for a fee of \$55.

5. TRAINERS

All Trainers appointed to teach accredited courses are qualified in accordance with the VET Quality Framework. Trainers must hold a Certificate IV in Training and Assessment, relevant industry qualifications and have recent and extensive industry experience to ensure that you will receive the appropriate quality training and assessment in the course you are enrolled in.

Tutors of non-accredited courses have experience and expertise in their training field but may or may not hold a Certificate IV in Training and Assessment, which is not a requirement for these courses.

What if I Need Extra Help?

We endeavour to provide access to courses for adults (persons over 15 years of age) regardless of gender, national or ethnic background, physical or intellectual impairment, religious affiliation or age. We will make all efforts within our capability to provide fee concessions to those who are eligible. We will assist a student with any specific learning need to access an appropriate program. Some assisted learning takes place in regular College courses by enlisting the support of a "buddy". Assisted learning takes place in specially targeted courses for people who need particular support in a learning area; other assisted learning is provided in literacy and numeracy courses. If you need some extra help, please contact us.

What about my Records?

The College recognises its responsibility to provide secure storage of student records. The College has safe on and off-site storage of records in accordance with legislative requirements. Kiama Community College has a [Privacy Policy](#) to protect student information. This Policy may also be accessed through the College administration. Student and staff information will not be given to any person or organisation unless they produce written

proof of legal right to that information. Student information and records will not be used for any purpose other than that related to their training.

All course attendances at Kiama Community College are recorded on class rolls. Trainers are responsible for keeping rolls up to date and securing rolls while courses are in progress. At the end of the course, the College retains the roll. Records of Credentials issued (Qualifications and Statements of Attainment) are kept and are available for re-issue for 30 years as required by law. You can get access to your records by appointment. Please contact the College to arrange access.

7. HOW DO I GIVE FEEDBACK?

We value your feedback on our service at any time during the process from enrolment to completion of your course. At the end of your course you will be provided with an evaluation form as an opportunity to comment on your satisfaction with the course provision. You may return the evaluation form directly to your Trainer or to the College. Results will be reviewed by the Course Coordinator and recommendations for improvements made.

Employer feedback is also important to the continuous improvement of the College and is sought on a regular basis.

If you have any concerns or suggestions regarding your course, please do not hesitate to contact your Trainer or Course Coordinator.

9. COMPLAINTS & APPEALS

The College and its staff are committed to providing an effective, efficient, timely, fair and confidential grievance handling procedure for all students. The [Student Complaints Policy](#) cover both academic and non-academic grievances and appeals and can be found on the College [website](#). A copy can also be obtained from Reception.

Academic matters include those matters which relate to student progress, assessment, course content or awards in a VET course of study.

Non-academic matters include those matters which do not relate to student progress, assessment, course content or awards in a course and include grievances in relation to personal information that the provider holds in relation to a student. Non-academic grievances tend to arise from events occurring at a provider or from decisions made by a provider.

Complainants are entitled to access the grievance procedures regardless of the location of the campus at which the grievance has arisen, the Complainant's place of residence or mode of study.

If a student is enrolled at the time they choose to access this policy and procedure, KCC will maintain the Student's enrolment while the grievance and appeals process is ongoing.

Students are encouraged initially to attempt to resolve a grievance informally through the Informal Grievance Procedure. Whilst KCC encourages students to follow this procedure before an issue becomes a formal grievance, this step is not mandatory and a student may proceed directly to the Formal Grievance Procedure.

The [Student Complaints Policy](#) sets out the steps involved in resolving student complaints and appeals and provides guidance in relation to any further action.

10. WHAT ARE MY RIGHTS AND RESPONSIBILITIES?

On rare occasions, the College may decide to temporarily close the venue due to certain events e.g. a nearby bushfire. For the latest updates, we encourage you to check Facebook or the website regularly.

Can I bring my children to class?

Minors, who are not enrolled in a VET course, are not allowed on site during a course as they may disrupt the learning environment and their safety, health and welfare cannot be assured.

The College is committed to providing an environment for work and training that is free from discrimination, bullying and/or harassment of any kind. Behaviour of this nature will not be tolerated in any form and will result in the immediate disciplinary action that may include expulsion from the program. This applies to both participants and College staff members.

If you witness or experience any incident of discrimination, bullying or harassment you are encouraged to inform the person where the behaviour is unwanted, unacceptable and/or offensive. If you feel unable to approach the person, or if the behaviour continues following your request that the behaviour cease, report it to the Trainer, Coordinator or Training Services Manager of the College immediately.
