HAPPY 2019!

New year is my favourite time - time to relax, enjoy summer and take some quiet time to reflect upon what we want in life, rather than just letting life happen to us! Combine that with the fresh start that a new year represents, and it is no wonder that January sees most of us setting goals, establishing new habits, and topping up our bucket lists.

How are you planning on making 2019 count? How will you ensure that this time next year, you will have lived more of the life you want?

This year at the Community College, we are setting some pretty big goals ourselves! We will officially commence Shoalhaven River College - a small, low fee, registered high school for Year 9 and 10 students who feel that they are unable to complete their education in a mainstream school. We are looking forward to supporting our students to thrive socially, emotionally and academically. For more information on our exciting new high school please visit www.shoalhavenrivercollege.org.

We'll be sharing more of our heartwarming stories about our students' successes and the fabulous organisations that we partner with to provide innovative programs for students with barriers so that they can experience social, cultural and economic empowerment.

We will also be making noise about the fact that we offer quality, accredited vocational qualifications right here in our community. We provide nationally recognised qualifications, most with government subsidies, fabulous student and employment support, pathways to UOW undergraduate degree courses and all in a friendly and welcoming environment. If it's offered at your Community College, why would you study anywhere else? So whether you are a school leaver, upskilling or returning to work, talk to us about how we can support you with your study goals.

Whatever plans you have for 2019, I hope it's positively memorable!

Warm wishes,

Helen Zwicker
Executive Officer

WHY CHOOSE YOUR COMMUNITY COLLEGE?

From school leavers to seniors, if you're interested in starting a career or taking your learning to the next level, Kiama & Shoalhaven Community Colleges have a full range of options for you.

With the skills you gain through nationally accredited qualifications, you can get yourself work ready, keep up-to-date in your industry or even prepare for a brand new career direction.

Kiama Community College Inc. is a volunteer-managed, community based adult education provider. We operate on a not-for-profit basis to provide high quality, adult education courses and activities to meet the learning needs of communities in the Kiama, Shoalhaven and Illawarra regions.

We are known for the friendly, supportive and reassuring environment given to our students and the flexibility of our high quality training. We are your local, trusted learning provider and we invite you to enrol in one of our wonderful courses in 2019!

"I enrolled in a Certificate IV in Business BSB40515. The trainer was great; she was always willing to take the time to explain the learning material which was interesting and relevant. I thoroughly enjoyed being a part of a class too as my classmates were both supportive and encouraging."

"I had been looking for work for a period of time prior to undertaking the course. As part of my course, the College staff updated my resume. They also organised for me to complete a period of work experience at a local hotel which gave me relevant administration and reception experience. I soon gained a position within a government department and I am thoroughly enjoying it!"

IMPORTANT INFORMATION

S

SMART & SKILLED SUBSIDIES

Smart & Skilled subsidies are now available for many of our courses. These are marked throughout the brochure with this symbol.

A description of subsidies available appears below. Please call the College to discuss your eligibility and determine your fee.

Subsidies are available to any person that :

- Works or lives in NSW, and
- Is an Australian citizen, Australian permanent resident, humanitarian visa holder or New Zealand citizen, and
- Is no longer at school, be aged 15 years or older, or is a registered home schooled student.

Fee Exemptions are available for:

- Australian Aboriginal and Torres Strait Islander people
 - Students who receive a disability support pension including the dependent child, spouse or partner of a recipient of a disability support pension
 - Students studying qualifications under the Entitlement Foundations Skills program
 - Refugees and asylum seekers
 - Recipients of Fee-Free Scholarships
- Fee exemption criteria must be met and fees will be discussed with you at the time of enrolment.

Fee Free Scholarships are available if you:

- meet the Smart & Skilled eligibility criteria and are receiving a prescribed government benefit; and
- are aged 15-17 and living in out-of-home care; or
- are aged 18-30 and previously in out-of-home care; or
- are aged 15 and over and have experienced domestic and family violence.

Scholarships may be limited.

Fee Concessions apply if you receive a prescribed government benefit; you may only need to pay a concession fee of between \$160-\$240

The concession Includes a dependent child, spouse or partner of a recipient of a prescribed government benefit.

Second qualifications : Your fee may be slightly higher for a second qualification.

Conditions apply. Smart & Skilled is a funding initiative of the NSW Government. Please call the College to discuss your eligibility and determine your fee.

VET STUDENT LOANS

VET Student loans are available at the College for students in Diploma courses.

This enables students to 'study now and pay later' with a government loan. Students repay their loan to the Australian Government through the tax system once a student reaches an income threshold for repayment.

Diploma courses for which you may be eligible for VET Student Loans are marked throughout this guide with the VET Student Loans symbol.

If you secure a Smart & Skilled subsidy, you only need to VET Student Loan your student fee rather than the entire course cost.

Please contact the College for further information.

NATIONALLY RECOGNISED TRAINING

The Nationally Recognised Training (NRT) logo identifies national vocational education and training which leads to Australian Qualifications Framework (AQF) qualifications or Statements of Attainment.
