Welcome to our Semester 2 course guide.

It continues to be our joy to provide a wide range of courses to meet the employment training, upskilling and lifelong learning needs of our community. As a not for profit, community managed Adult Education provider, our students and community come first.

You can study just about anything at the Community College... from foreign languages, seniors computing, adult literacy, fun courses for people with a disability through to nationally recognised, accredited Certificates IV's and Diploma's for HSC school leavers or seasoned career professionals. Whilst the programs that we offer vary greatly, our warm welcome to all, our quality standards, Student Support and focus on pathways are ever-present.

At our recent AGM, we celebrated our inaugural VET Student Of The Year Awards. We look forward to sharing the stories of our worthy nominees with you.

In this edition, we also feature our Shoalhaven Hair & Beauty School's Diploma In Beauty Therapy and a wide range of supporting courses. In our recent student survey, 100% of students surveyed in Semester 2 Hair & Beauty Graduates have successfully pathwayed to employment or further study. This is a testament to our committed trainers and students, state of the art facilities, close ties to industry and exceptional student support.

So grab a cuppa, put your feet up and enjoy!
