## WE TAILOR TRAINING TO YOUR UNIQUE WORKPLACE REQUIREMENTS

### WHO WE ARE

As your local, not-for-profit Registered Training Organisation (RTO), overseen by the Australian Government, we have provided a wide range of nationally recognised vocational qualifications to more than 3,000 students in our community.

We provide the same qualifications and government subsidies as TAFEs and other RTOs approved under the NSW Government's Smart and Skilled program.

### WHY PEOPLE CHOOSE US

For your convenience we offer flexible study options to suit your business and your apprentice or trainee including face to face, online, work based or a combination to meet your needs.

We are approved to deliver a range of apprenticeships and traineeships through our team of highly qualified and skilled trainers who specialise in the latest training packages (*see over for our full list of nationally recognised qualifications*).

Students receive personalised and individually focussed support and training for any level of experience.

All NSW apprentices and most new-entrant trainees are eligible for a government subsidy\* under the NSW Government's Smart and Skilled funding initiative for the qualification that supports their apprenticeship or traineeship.
