

COURSES FOR SENIORS

KIAMA PROGRAM

TECH SAVVY SENIORS

It's never too late to brush up on your online skills or learn new ways to stay connected with your loved ones.

Our fun and educational Tech Savvy Seniors program helps you build the skills and confidence to use computers, tablets and smartphones.

These short courses have been specifically designed to assist seniors with limited or no previous experience in using technologies and for those who need additional help in developing their digital skills.

To enrol, please call us on 4232 1050 or scan the QR code to enrol online.
