# STUDENT STORY

## Alana's Story

Alana has been nominated by her Certificate IV Training and Assessment trainer Maria, for her commitment to simultaneously completing both this qualification as well as a Certificate IV in Outdoor Leadership.

After high school, Alana made a number of starts towards her long-term goal of becoming a teacher but hit obstacles. Alana later moved into the outdoor education industry.

Alana enrolled in Certificate III in Outdoor Leadership with the College. Whilst still completing this, Alana also commenced her Certificate IV in Training and Assessment at KCC in 2021. Six months later she upgraded to her Certificate IV in Outdoor Leadership. This was a massive ongoing study load.

In completing both qualifications, Alana has achieved her long-term dream of becoming a teacher and is now employed fulltime as outdoor guide and educator. Alana is now employed across several businesses, including with us at the College!

Alana has demonstrated tenacity and commitment, balancing her studies in addition to working full time hours across two jobs. We see Alana as a shining example of a Lifelong learner. She has stayed curious, shown determination and grown in confidence as she developed both practical and academic skills.

Alana we recognise your hard work today and congratulate you for setting yourself up for success as an educator in the industry that you love!
